

GAMEBIRD WEEKEND

Gamebird Science Social: Bird Talk with a Biologist

Enjoy a night of mingling with turkey and quail enthusiasts alike! Lake Pickle will host a Q&A panel consisting of representatives from MDWFP, MSU, NWTF, TFT, and QF. Bring your gamebird related questions and let the field experts respond! There will also be a raffle with top of the line equipment and hunting gear!

Friday, February 23, 2024 at 6:00
Bull Barn in Starkville, MS
Dinner provided.

Gamebird Habitat Management Workshop

During the morning session, six presentations will be given by wildlife professionals focusing on gamebird conservation and habitat management. The afternoon session will be a field trip to a MSU property for a hands on field experience.

Saturday, February 24, 2024 at 8:00am
Bull Barn in Starkville, MS
Breakfast and Lunch provided.
Transportation to field site provided.

Register now!
