“All life demands struggle. Those who have everything given to them become lazy, selfish, and insensitive to the real values of life. The very striving and hard work that we so constantly try to avoid is the major building block in the person we are today.”

► **State 4-H Congress/State 4-H Horse Championship Workshops & Training Opportunities**

In the next couple of months, several workshops and training sessions for upcoming 4-H horse events and contests will be scheduled. Workshops/training sessions will likely be held in late March through May. Even though we do not have a major horse show until June and July, there are still plenty of items to keep us busy.

► **Recruiting New Members**

Spend some time promoting the 4-H animal and dairy science projects. This would be an excellent time to make personal contacts with potential project members, doing a news release or a radio program, having a county meeting, organizing livestock clubs, or whatever works for you. Remember that you can order my livestock brochure and check-out my livestock display with Kathy Nash to promote livestock and horse projects.

► **4-H Club Congress Contests**

4-H Club Congress Contests will be here soon (May 31-June 2). Now is the time to be lining up participation and planning county contests. Contests in the 4-H animal and dairy sciences area are Visual Presentations for seniors (four divisions included [1] beef; [2] sheep, swine, market goats; [3] dairy animals; [4] dairy products.) Other contests available are meats judging/identification contest, livestock bowl, and dairy bowl for senior members and dairy products judging. Plus there is a dairy poster contest with several age divisions. These are all excellent contests. If we can provide you with information about these contests, please let me know.

► **4-H District Project Achievement Day Contests**

4-H District Project Achievement Day Contests will be here soon (June 16, July 11-13). Now is the time to be lining up participation and planning county contests. Contests in the 4-H animal and dairy sciences area are Visual Presentations for juniors (two divisions included [1] beef, sheep, swine, market goats; [2] dairy animals, dairy goats, dairy products). ► **Alert Horse Project Members about Ownership & Ethics Certification!!!**

NOTE: The 2017 Horse Show Rule Book is finished! When it is ready, we will let you know!

Remind your 4-H'ers and adult leaders that May 1st is the ownership deadline for horses to be shown in the 2017 4-H horse shows. Also, each horse showing in the district 4-H horse shows must be accompanied by original registration certificate or official ownership form for grade horses (**BOTH DATED & SIGNED BY MAY 1ST**). Copies of registration certificate or ownership form must be sent in with entries by district show deadline. Horses must be in the name of the 4-H'er, or in the name of an immediate family member (farm name is not eligible). Also, any youth that wishes to show in this year's District and State 4-H Horse Shows must be a 4-H member by May 1st. **The horse show entry deadline is May 1st.**

In addition, a **NEW 4-H'er who plans to show in the 2017 District & State 4-H Horse Shows and at least one parent must have completed the Horse Ethics Certification program by June 1st.** Also, any **NEW** volunteers that assist 4-H'ers with their horses must be horse ethics certified by June 1st. **Be sure to comply with the recently released Registered Volunteer Certification Process before certifying volunteers for horse ethics.**

4-H'ers that are **only** competing in the non-riding contests (horse bowl, horse judging, art contest, photography contest, hippology, public speaking, and demonstration contests) do not have to be ethics certified. However, these 4-H'ers should be encouraged to be ethics certified!

An Official Negative Equine Infectious Anemia Test Certification or certified Coggins document (PHOTOCOPIES WILL NOT BE ACCEPTED) bearing lab number with animal identification issues within 12 months of the show date must accompany each horse in hand for all district and state 4-H horse shows. These certificates will be checked and must be in possession of the exhibitor and/or with the horse at the shows. If agent maintains original registration papers, agent **MUST BE PRESENT** at time of check in. Now is the time to be taking care of these important matters. Alert your 4-H'ers.

► **Horse Bowl**

Each county with teams is requested to submit 25 questions for juniors and 25 questions for seniors, regardless of the number of teams competing per county. These questions will be used in developing the district and state contests. **These questions must be sent via email to Dr. Dean Jousan (dean.jousan@msstate.edu) by April 1, 2017.** Questions and the correct answers must be typed, come from the official sources only and include reference source with page number.

► **4-H Dairy Poster Contest**

The theme for the 2017 Dairy Poster Contest is *"Get More with Milk"*. Publication 799 contains all the information about this contest and can be obtained from Extension Supply by electronic publication ordering from Department A9. Your winning poster in the three age divisions are to be delivered to a location to be determined on Wednesday, May 31st, the first day of State 4-H Club Congress for judging in the state contest. ► **2017 DIXIE NATIONAL SALE OF JUNIOR CHAMPIONS**

The 48th Sale of Junior Champions was another great event for our youth involved in the Mississippi 4-H Livestock Program. The Sale's committee is to be commended for the hard work that they put into this sale to make it a very successful activity. This was the 23rd year in a row for the sale to gross over \$100,000. The preliminary gross total for the 43 animals sold was **\$328,257**. The 9 steers averaged \$9,189 per head; the 14 hogs averaged \$8,745 per head; the 10 lambs averaged \$5,960 per head; and the 10 goats averaged \$6,115 per head. The Grand Champion Steer was purchased by Blue Cross Blue Shield, Haley & Marsha Barbour, Ergon, Inc., and MGD Holdings, Inc. for \$18,000. Ted Parker Cattle Company, Oldham Chemical, Havard Pest Control, N&H Electronics and Paul McMurry purchased the Grand Champion Hog for \$9,000. Southern Administrator and Benefits Consultants, Priority One Bank, Community Bank of Brandon, Steven Franks Chevrolet Buick GMC, Barksdale Cadillac, Rankin First Economic Development, Rick's ProTruck and Noel Danies Motor Company purchased the Grand Champion Lamb for \$9,000. The Grand Champion Goat was purchased by Trustmark Bank for \$9,250.

The Sale of Junior Champions continues to mean a lot to our Mississippi youth livestock program. The 48 sales have grossed over **\$6.5 million**. The first sale in 1970 had a gross total of \$7,621.35. This outstanding activity has come a long way in 48 years! In addition to the sale of champion animals, 37 scholarships were awarded totaling \$58,500. In the past 25 years, **\$774,200** have been awarded to Mississippi youth to assist them with their college education.

The buyers, contributors, sale committee members, Extension staff members assisting with the sale, and other supporters who help make this a special event for our youth are to be commended.
