## WHAT'S HAPPENING IN WARREN COUNTY 4-H

Do you know the 4-H Pledge?

I Pledge My Head to Clearer Thinking, My Heart to Greater Loyalty, My Hands to Larger Service and My Health to Better Living. For My Club, My Community, My Country and My World

I pledge my hands to larger service – Does your 4-H club have a service project planned for this year? Service is a great way to learn by doing and an important part of our 4-H journey. Giving back to our community is very rewarding!

Recently one of our Warren Co. 4-H clubs brought homemade baked goods to our police officers and civil servants. Another club is collecting

toiletries and clothing for a local women's shelter. We are very proud that these club members and volunteers have pledged their hands to larger service!

Being a good servant doesn't only involve our hands and physical presence, but also our head and heart. Keeping the 4-H pledge in mind, our 4-H'ers commit their head and mind to the task at hand by thinking clearly and remaining engaged. They also represent the true nature of service by committing their hearts to the work they do for the betterment of their club, community and world.

GREAT JOB WARREN CO. 4-H!
