

Heartfelt 
THANKS
TO OUR VOLUNTEERS!

Fall Area Meeting

The Fall Area Meeting will be held at the **Multipurpose building on October 16, 2018**. It is very important that everyone plans to attend the **council meeting on September 10 at 6:30PM**.

We will need to get together to plan accordingly and discuss what responsibilities that each group will be in charge of and what each county will need to bring.

We will decorate and set up everything up for this meeting on **Monday, October 15, 2018 at 3:00PM**, if anyone is interested in helping. Please let Katelyn or Trent know.

Upcoming Kids in the Kitchen

Our 4-H Kids in the Kitchen program will meet on **September 20, 2018 at 3:30PM**. We would like to teach the children how to make biscuits and would also like to involve the Calhoun County Journal for a special story on both our programs. This would give both the MHV and 4-H groups to be spotlighted and will be an opportunity to share how each of these programs are important to our community. If anyone is interest in helping with this program, please let Trent or Katelyn know.

Something Simple,
Inspiring, and Silly!

Simple: Removing stubborn price tags from items by warming the glue on the sticker with a blow dryer on low setting and slowly peeling the price tag away.

Inspiring: "The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well." Ralph Waldo Emerson

Silly: Why does a milking stool only have 3 legs? Because the cow has the udder

Everyone attending should bring a hammer and artificial flowers for your project. Katelyn is going to pick up the rest of the supplies closer to time, but it should not cost much money to attend.

Social Media Promotion

We've had a lot of positive feedback on the usage of social media in the job setting. It gives our office the resources to remind participants of upcoming dates, promoting events, and staying in contact with our community. We would like for our clubs to take pictures and let us help promote your actions and the involvement your club has in our county. You are all very important to the community and we just want to share your club's journey. If you have anything that you would like us to share, please email your pictures to trent.barnett@msstate.edu or katelyn.bailey@msstate.edu. We are so proud of each group and we want to continue to support all of your hard work!
