## **Creating Healthy Indoor Childcare Environments workshops are available for your childcare center!**

The Creating Healthy Indoor Childcare Environments workshops offer contact-hours training approved by the Mississippi Department of Health's Office of Child Care Licensure.

Childcare workers will engage in training workshops about:

- Seven Principles of Healthy Indoor Environments
- Asthma and Allergies
- Hazardous Products
- Indoor Air Quality
- Integrated Pest Management
- Lead Poisoning Prevention
- Mold and Moisture Control
- Safety and Accessibility
